

Keep the trust and fulfill It

11 Jun, 2025

Allah loves people who take care of what's trusted to them and who keep their word.

If someone gives you a responsibility, handle it well and give it back properly. Even if they once betrayed you, don't do the same.

Allah tells us to return what isn't ours and to be fair when we make decisions between people.

Keeping a trust is one of the best kinds of good you can do. Just be someone others can count on — your boss, your team, your family. That's what real faith looks like.
